

Women's Institutes Propose Memorial To Mrs. E. Morton

At a Monday evening meeting of the Alberta provincial council of Women's Institutes it was decided to present a plan to the branches to purchase a unit of equipment for the Dr. John McEachran Research Laboratory in memory of the late Mrs. E. E. Morton, formerly of Vegreville.

As president for several years of the AWI and the Federated Women's Institutes of Canada, Mrs. Morton co-ordinated the efforts of the Women's Institutes in the fight against cancer, inaugurating the "Blueprint for Action" schools of public education on cancer. Mrs. Morton also was a vice president of the

Associated Country Women of the World.
